All children, regardless of age, are required to have a valid ticket to enter Davis Wade Stadium and must adhere to clear bag and security screening procedures.

In the interest of enhancing existing security measures at games involving Southeastern Conference schools, the SEC will implement a new security policy regulating the size and type of bag that may be carried into all stadiums in which SEC schools host games, beginning with the 2017 football season. For medically-necessary bags, fans should enter at Gates B & I for screening.

Tailgating

All picnic areas open at 4 p.m. the day before a game. Garbage (black bags) and recycling (blue or green bags) should be sealed and left for collection at your tailgating location or disposed of in a trash or recycling container. Black and blue or green bags are available on the poles located throughout gameday areas. The university will follow local ordinances and state laws regarding alcohol. Picnic areas must be vacated by midnight or two hours after the conclusion of a late game the day

after the game. MSU is not responsible for any tailgate items left before, during, or after the game.

To enhance the Junction's safety and the entire gameday experience, roads closing four hours before kickoff are: Creelman St. from Tracy Drive to Stone Blvd.; Stone Blvd. from Bost Drive to Bully Blvd.; Barr Avenue from Bost Drive to College View Drive; College View Drive from Bailey Howell Drive to Barr Avenue; and Old Bully Blvd. from Bully Blvd.
