### A fiery tale, by \_\_\_\_\_ YOUR NAME \_\_\_\_\_

I began the day on \_\_\_\_\_ YOUR BIRTHDAY \_\_\_\_\_. As I began every other day since I can remember. The air was fresh and crisp, the sun burning brightly on this beautiful \_\_\_\_\_ YOUR FAVORITE SEASON \_\_\_\_\_ day. As every other morning, I walked through the forest trees as tall as \_\_\_\_\_ A TALL OBJECT \_\_\_\_\_ counting at least \_\_\_\_\_ NUMBER \_\_\_\_\_ different kinds of birds chirping happily among the branches. I changed my course, deciding it was time for my daily \_\_\_\_\_ GOOFY ACTIVITY \_\_\_\_\_. Scurrying down to the forest clearing by around \_\_\_\_\_ TIME OF DAY \_\_\_\_\_, I ran into \_\_\_\_\_ BEST FRIEND'S NAME \_\_\_\_\_ happily sitting in the sun reading \_\_\_\_\_ FAVORITE BOOK \_\_\_\_\_. I called out to say hello and we began talking about \_\_\_\_\_ FAVORITE OUTDOOR ACTIVITY \_\_\_\_\_.

Suddenly, the sun began to move behind the clouds, it began to softly drizzle, and I began to feel strange and all I could taste was \_\_\_\_\_ NAME OF GROSS FOOD \_\_\_\_\_. I exclaimed, \_\_\_\_\_ SOMETHING YOU SAY WHEN YOU ARE SCARED ! There was a strange smell that filled the air. Was it \_\_\_\_\_ SOMETHING THAT SMELLS AWFUL \_\_\_\_\_? Or maybe \_\_\_\_\_ SOMETHING ELSE THAT SMELLS AWFUL \_\_\_\_\_? Could it be fire? \_\_\_\_\_ BEST FRIEND'S NAME \_\_\_\_\_ and I took off running through the clearing, seeing \_\_\_\_\_ NAME OF A CLASSMATE \_\_\_\_\_, and \_\_\_\_\_ TEACHER'S NAME \_\_\_\_\_, and even \_\_\_\_\_ FAVORITE MOVIE STAR \_\_\_\_\_ running for cover! Don't worry, I gulped. What would become of us? What would become of all our homes? I thought fondly of my \_\_\_\_\_ FAVORITE PIECE OF CLOTHING \_\_\_\_\_ and \_\_\_\_\_ FAVORITE TOY \_\_\_\_\_, would they be lost forever? Rubbing my \_\_\_\_\_ PART OF YOUR FACE \_\_\_\_\_, thinking hard, I looked around trying to find the source of the awful smell that was steadily growing stronger. In all the commotion, I lost sight of \_\_\_\_\_ BEST FRIEND'S NAME \_\_\_\_\_, but saw a crowd of \_\_\_\_\_ FAVORITE ANIMAL (PLURAL) \_\_\_\_\_ gathering in the distance.

By the time I arrived on the scene, the Ranger had poured \_\_\_\_\_ FAVORITE DRINK \_\_\_\_\_ and \_\_\_\_\_ FAVORITE FOOD \_\_\_\_\_ all over the raging flames, putting out the fire. Relieved and smiling weakly, I found \_\_\_\_\_ BEST FRIEND'S NAME \_\_\_\_\_, as well as my friends \_\_\_\_\_ FAVORITE CARTOON CHARACTER \_\_\_\_\_ and \_\_\_\_\_ MOM OR DAD'S NAME \_\_\_\_\_ and bounced over to them knowing that the day was saved! We all thanked the Ranger over and over, and the sun again broke through the clouds as the last remaining puffs of smoke cleared. \_\_\_\_\_ BEST FRIEND'S NAME \_\_\_\_\_ grabbed me by the shoulders and shook me excitedly, insisting that we still had time to scamper off to \_\_\_\_\_ SILLY EXERCISE \_\_\_\_\_ and make the most of the beautiful day.
